ABOUT THE PROGRAMME

The Thyroid Conclave – An Integrated Perspective on Thyroid Disorders brings together some of the most eminent and experienced thyroid surgeons from Tamil Nadu and across India, including leading endocrine surgeons and surgical oncologists.

This academic program is specially designed with a strong educational focus, catering primarily to undergraduate students, postgraduate trainees, and M.Ch. surgical oncology residents. The sessions will emphasize conceptual clarity, clinical decision-making, and practical surgical insights, delivered through expert lectures, interactive discussions, and case-based learning.

The conclave aims to provide a comprehensive, structured, and student-friendly approach to thyroid disorders, covering evaluation, surgical management, and complication avoidance, making it a valuable learning platform for trainees at all levels.

Registration Fees :

MBBS Students : Free

(Registration Closes before 9.00am)

MS / M.Ch., PGs : 1000/-

Delegates : 1200/-
